**DELETION OF UNINSURED MOTORISTS COVERAGE
FROM POLICY, SELECTION OF LOWER LIMIT
OF LIABILITY, WAIVER OF COLLISION DEDUCTIBLE
(California)**

The California Insurance Code (Section 11580.2) requires an insurer to provide uninsured motorists coverage in each bodily injury liability insurance policy it issues covering liability arising out of the ownership, maintenance, or use of a motor vehicle. Such section also permits the insurer and the applicant to delete such coverage completely or to delete such coverage when a motor vehicle is operated by a natural person or persons designated by name, or agree to provide such coverage in an amount less than that required by subdivision (m) of Section 11580.2 of the Insurance Code, but not less than the financial responsibility requirements. Uninsured motorists coverage insures the insured, his heirs, or legal representatives for all sums within the limits established by law, which such person or persons are legally entitled to recover as damages for bodily injury, including any resulting sickness, disease, or death, to him from the owner or operator of an uninsured motor vehicle not owned or operated by the insured or a resident of the same household. An uninsured motor vehicle includes an underinsured motor vehicle as defined in subdivision (p) of Section 11580.2 of the Insurance Code.*

Under the California Insurance Code (Section 11580.26) it is required, provided bodily injury uninsured motorists coverage is not rejected, where a policy of motor vehicle liability insurance does not include collision insurance on the insured motor vehicle, that the insurer offer to cover property damage on the insured motor vehicle (not including personal property therein) caused by the owner or operator of an uninsured motor vehicle. Such coverage of loss or damage by collision shall not exceed the actual cash value or \$3,500, whichever is less. The insured may elect not to accept such coverage or to waive such coverage when the motor vehicle is operated by a person or person designated by name. Property damage does not include loss of use of the motor vehicle.

Section 11580.26 further requires that where a policy of motor vehicle liability insurance includes collision coverage on the insured motor vehicle, subject to a deductible to be paid by the insured, that the insurer offer to provide coverage in the amount of the deductible in the event of collision involving a vehicle, including a trailer, owned by the named insured and insured under the policy and an uninsured motor vehicle. You may elect not to accept this offer or to waive this coverage when the insured vehicle is used or operated by a person or person designated by name.

In accordance with the above described California Insurance Code the undersigned insured (and each of them) – **(Applicable item marked "X")**
